### FLOWERING VINES

#### ASARINA (Twining Snapdragon)

*scandens* 'Joan Loraine Blue Climber' ☀️🌙 6'H  
A twining vine with 2" violet blue tubular flowers that cover an easy to grow climber.  
5" pot / 15" pot (12ppp) \$39.99

#### CARDINAL CLIMBER

*Ipomoea x multifida* 'Cardinalis' ☀️🌙 6'H  
Common in the 1800s, cardinal climber has crimson flowers whose long funnels widen into flaring hoop skirts. Resembling tiny morning glories, new flowers open every morning. The foliage is a lustrous green and finely divided. A twining vine, try growing it on trellises, fences, or plant cages. It will also grow over other plants, so it could be used in a mixed container. Wait until soil warms before planting.  
5" pot / 15" pot (12ppp) \$39.99

#### CYPRESS VINE (Star Glory)

*Ipomoea quamoclit* 'Red' ☀️🌙 6'H  
One of the most beautiful annual vines. Great quantities of the most delicate slender-tubed flowers with five distinct and spreading lobes. Twining.  
5" pot

## FIRECRACKER VINE

***Mina lobata* 'Jungle Queen'** ☀️🌙 20'H  
 Multi-colored show of orange, yellow, and cream blossoms from midsummer through fall. They are narrow and tubular and hang from one side of the stem. The twining stems and stalks are crimson.  
**5" pot**

## HYACINTH BEAN

***Dolichos lablab* 'Ruby Moon'** ☀️🌙 10-12'H  
 A vigorous, twining climber with fragrant lavender flower trusses, and dark violet, edible pods. From tropical Africa and introduced into gardens from Egypt in 1818. The dark green leaves are tinged with purple. Try it with a blue morning glory.  
**5" pot / 15" pot (12ppp) \$39.99**

## LOPHOSPERMUM

**'Great Cascade Wine Red'** ☀️ 24-36" trailing  
 Deep wine red, cup-shaped blossoms. Dark green leaves. Vigorous twining/trailing habit.

### 'Compact White'

A vigorous climbing variety that produces white blooms. The blooms are flared at the end and are dusted with a light yellow center

**5" pot**

## MALABAR (Basella)

**'Red Stem Spinach'** ☀️ 8-10"H

Heat loving frost sensitive lush vine. Grown for its attractive reddish purple stems with dark green leaves. It will twine around any support provided and can grow up to 8'. Has a mild Swiss chard taste. It does best in slightly acidic moist soil. Cuttings can be rooted overwintered inside and transplanted the following year or kept as a houseplant

**5" pot**

## 4.5" Mandevilla \$9.99

**'Garden Crimson'** ☀️🌙

Compact. Will grow to be about 12-18" in height with 3-4" dark red flowers

**'Original Series'** ☀️🌙

These mandevillas have a compact, upright habit which makes them the perfect accent to your home. They naturally will climb in settings such as patio containers and baskets.

- **Cream Pink** 2-3" light pink flowers that have darker pink centers
- **Dark Red**
- **Pink**
- **Stars & Stripes** 2-3" red flowers that are accented with white stripes
- **White**

## 6" MANDEVILLA \$19.99

The reigning queen of the tropical vines, with lacy twining runners and plentiful, huge colorful flowers. Train to a trellis, arbor, gazebo, or any overhang. Always in bloom. They love warm weather. Vigorous.

**NEW** **'Pink Parfait'** ☀️🌙 15-20' long

Unusual, double, trumpet-like pink flowers

**NEW** **'Tango Twirl'** ☀️🌙 15-20' long

Soft pink, fully double flowers

**Assorted** ☀️🌙

## MANETTIA

(Candy Corn Vine, Cigar Vine)

*cordifolia* ☀️🌙 6-10' twining stems

Tubular red flowers with yellow tips. Smooth green leaves. Best in pots with stakes or a trellis to climb.

5" pot

## MEXICAN FLAME VINE

*Senecio confusus* ☀️🌙 8'H

Tropical vine from Mexico with brilliant orange daisy-like flowers. Thick dark green leaves shaped like arrowheads. Twining. Great for containers with a trellis and chain link fences.

5" pot

## MOON VINE

*Ipomoea alba (Calonyction aculeatum)* ☀️🌙 8'H

During warm evenings, lush perfume emanates from these waxy, bridal-white, 6" wide flowers with star-shaped creases of cream. Begins blooming in the second half of summer. Dark green, heart-shaped leaves adorn this handsome, twining vine.

5" pot

## MORNING GLORY

*Ipomoea* ☀️🌙 8-12'H, variable by variety

A vigorous annual with broad, 3-lobed, soft green leaves. From early summer to autumn bears funnel-shaped flowers. Vigorous twining habit. Ideal on a fence or against a wall with a trellis. Average soil is best. Avoid overwatering and high nitrogen fertilizer. Native to tropical regions around the world.

## NEW Carnevale Venezia

A mix of white/pink and white/blue ruffled double flowers. Can grow 15' on a trellis.

### 'Crimson Rambler'

Huge 6" blooms are crimson rose with white center.

Foliage is occasionally variegated

5" pot / 15" pot (12ppp) \$39.99

### 'Dolce "Vita'

White flowers with rosy pink centers

5" pot

### 'Grandpa Ott'

An heirloom morning glory with deep purple flowers and pearly red throats. Grows to 12 feet.

**'Heavenly Blue'**

Many years ago a home gardener found this early flowering version of sky blue morning glory with heart shaped leaves, and, recognizing its importance, saved its seeds. After a few years, it came to the attention of a Dutch seedsman who increased the stock and offered it under the name of 'Clarke's Early Heavenly Blue' in the early 1930s. It became the most planted morning glory, then and today.

**'Knolas Black Night'**

Very dark, nearly black flowers with cerise throats.  
**5" pot / 15" pot (12ppp) \$39.99**

**NASTURTIUM**

This annual comes in a bright array of colors with slightly funnel-shaped 5 petaled flowers and rounded green leaves. They are native to the mountainous areas in Central and South America. The bushy varieties are great in rock gardens and patio pots, the climbers are suitable for climbing up a fence, trellis, or large shrub or spilling down the sides of a container. The leaves and flowers are edible - brighten up salads. Prefers poor soils.

**T. majus 'Trailing Mixture'** ☀️🌙 36"H

Bright single flowers in a mixture of yellow, orange and red tones. Trailing habit is fabulous spilling out of window boxes and baskets. Thrives in poor soils. Needs no fertilizer and little water.

**5" pot**

**PASSION FLOWER**

**Passiflora caerulea 'Blue'** ☀️🦋 6-8'H

Scented light pale blue flowers. Sweetly fragrant.

**5" pot / #2 stk \$34.99**

**P. x 'Incense' (Royal Purple)** ☀️🦋 4-6'H

Very decorative lavender flowers with curled corollas.

**P. x 'Lady Margaret' (Red)** ☀️🦋 4-8'H

Outstanding vigorous tendril climber with abundant exotic red flowers with white centers. Rich green, doubly lobed leaves. Great on trellis, arbor, or fence. Likes a warm, sunny spot. Best kept up close where its color and form is most appreciated.

**5" pot**

**'Lavender Lady'** ☀️🦋 4-8'H

The 3-4" exotic flowers are violet to lavender.

**5" pot / Milaeger pot \$17.99**

**NEW vitifolia (Red)** ☀️🦋 4-8'H

Exotic scarlet red flowers. Small green-yellow fruit.

**Milaeger pot \$17.99**

**STEPHANOTIS**

**'Floribunda' (Madagascar Jasmine)** ☀️🌙 12-15'H

This tropical vine has an intense jasmine scented fragrance. It features a waxy white narrow flower tube with five star shaped lobes and deep green leaves. This vine requires some shade from hot afternoon sun and will not survive well if temps dip below 59 degrees. It will also grow very well as a houseplant placed in a sunny window

**Milaeger pot \$34.99**

## THUNBERGIA

### (Black-Eyed Susan Vine)

A vigorous twining vine with a profusion of luminous, five petaled daisy flowers with contrasting, usually dark throats. Will easily and quickly climb up a trellis or fence or trail from a hanging basket.

'Blushing Susie' ☀️🌙 5'H

Soft pink to apricot flowers with dark centers.

5" pot

'Lemon A-Peel' ☀️🌙 5'

A fast growing vine that likes the sun and will grow to be 5-8 feet tall. The yellow flowers have black centers.

'Orange A-Peel' ☀️🌙 5'

A fast growing vine that likes the sun and will grow to be 5-8 feet tall. The orange flowers have black centers.

5" pot

## VIGNA (SNAIL VINE)

*Vigna caracalla* ☀️🌙🐌 6'H

Part of the legume family. The flowers are shaped like snails. They are colored pinkish purple and occur all summer long. Interesting, edible seedpods. Palmate leaves. Native to tropical South America and Central America.

'Snail Vine' snail shell shaped blooms start white then turn a purple-pink color

**Thomas Jefferson'** Curled flowers in shades lavender and white. They are super fragrant and fast to bloom.

**Large Milaeger pot \$15.99**
