

Attention Customers

In keeping with the Governor's order, we are requiring all customers entering the store to wear a mask.

You do not need a mask outdoors as long as you stay 6 feet away from other customers and employees.

If you have a medical condition that prevents you from wearing a mask, you are exempt from this order.

If we see you without a mask, we will assume that you have a medical condition and we will welcome you without question.

Thank you
Mitaege's
